BANU sends a sign of solidarity with Ukraine

Izjava akademika Mehmeda A. Akšamije, predsjednika BANU /
Statement of academician Mehmed A. Akšamija, President of the BANU

Snažno se protivimo ilegalnoj invaziji i okupaciji suverene evropske države poput Ukrajine od strane oružanih snaga Ruske Federacije. Izjavljujemo solidarnost s ukrajinskim narodom i našim ukrajinskim kolegama. Za demokraciju i znanstvenu slobodu! Nikad više rata u Evropi!

We strongly oppose the invasion and occupation of a sovereign European state like Ukraine by the armed forces of the Russian Federation, which is against international law. We declare our solidarity with the Ukrainian people and our Ukrainian colleagues. For democracy and academic freedom! Never again war in Europe!

Akademik Mehmed A. Akšamija, predsjednik BANU
